

BIG DING POLYESTER SURFBOARD REPAIR KIT 250ML

Code: BDP01

€ 39,00

BIG DING POLYESTER SURFBOARD REPAIR KIT 250ML

The BIG DING Polyester Surfboard Repair Kit is equipped with everything you need to repair your board professionally! It contains the best ingredients (Polyester Silmar 249a and Hexcel Fiberglass) for several repair jobs and is not produced in China! The resin is super strong and doesn't get yellow! The detailed instruction enables you to get even the big dings fixed like a pro! Thanks to the practical screw lid box, storage of the repair kit components is easy and the kit can be reused several times.
