BILLABONG 4/3 SYNERGY CHEST ZIP WETSUIT FOR WOMEN

The Synergy Series wetsuits deliver lightweight, premium heat and innovative technology with superior value and durability. Made from stretchy and eco-conscious Superlight neoprene combined with glued and blind stitched sealed external seams, the women's wetsuit boasts excellent thermal retention. Graphene recycler lining at the front and back panels adds incredible strength and heat without adding bulk, while silicone stretch panels at the arms and legs let you get in and out with ease. Finished with a chest zip entry, the 4/3 Synergy Full Wetsuit delivers everything you demand from a premium wetsuit, without breaking the bank.
