BILLABONG BOARDSHORTS FIFTY50 AIRLITE PLUS

Built to the way you surf, the Billabong Fifty50 Airlite Plus Boardshorts 19" features three unique performance fabrics seamlessly engineered into one, to give you stability, flexibility and comfort where you need it most. These men's boardshorts offer our highest level of performance with welded, sealed seams at the inside rise, hems and patch pocket. Featuring a half-print design, these fixed-waist, performance boardshorts are made from Airlite Recycler Stretch fabric, an omni-directional, jacquard weave fabric sourced from recycled PET plastic bottles and coated in Micro Repel water repellent technology for a quick drying, lightweight feel that never weighs you down. Topped with a patch pocket at the right leg with drain holes and a zipper for all your needs, in or out of the waves, and Billabong woven labels throughout.

Features:

Men's Airlite Performance Boardshorts
