### BILLABONG BOARDSHORTS FLUID AIRLITE PERFORMANCE

Allowing for unrestricted movement, the Fluid Airlite matches top shelf surf technology with a gradient print. Design goes beyond stretch with anatomically mapped, multi-tier stretch, creating omni-directional movement, while flex welding allows for movement whilst maintaining comfort and security. The pinnacle of boardshort design, Airlite combines unprecedented levels of flexibility, stability and comfort into one boardshort. With ultimate function in mind, the Fluid adds a zippered welt pocket at the side to keep your essentials secure while reducing distractions.
