€ 12,00

BOARD BOG TEMPORARY BOARD REPAIR COOL 20GR

Cold temperatures

DESCRIPTION

Board bog is a revolutionary new repair product that will fix any type of board (surfboards, SUP's, sail boards, knee boards, fibreglass kite boards).

Board Bog is amazing -

it is totally frictionless when wet!

it will stay stuck to your board in all conditions!

it pulls off with minimal residue if you want a professional fix!

There is no sanding or drying time with Board Bog, as soon as you finish applying it you can surf it. Just apply, smooth the edges down with your finger and get back in the water.

Board Bog is an easy to use temporary or permanent fix.

Board Bog is specially formulated to never completely harden for easy removal.

Board Bog is 100% Travel Safe so you can take it on any surf trip.

Grab a stick of Board Bog today and chuck it in your board bag, travel bag or glove box. You never know when you're going to need it.
