BOARD BOG QUICK FIX REPAIR PASTE WARM BOARD 20GR

Warm temperatures

Board bog is a revolutionary new board repair product that is completely unique in that it is the only temporary repair product that will repair any type of board for any water sports use.

This is a flexible repair designed to temporarily seal any dents and can be left in place for as long as needed.

It differs from any other repair product due to the absence of hardening/drying times and the need to sand the product. After application, just smooth it with your finger and return to the water.

A quick solution for both polyester and epoxy boards (surfboards, SUPs, windsurfs, kites)

An easy to use temporary or permanent solution.

If it comes off with minimal residue you want a professional solution

Super sticky, so it will stick in any condition

Travels safely so you can take it with any surf trip

Totally friction-free when wet

No sanding or drying time, as soon as you finish applying it you can surf

Specially formulated to never fully harden for easy removal

Grab a stick of Board Bog today and chuck it in your board bag, travel bag or glove box. You never know when you're going to need it.
