CAPTAIN FIN CHANGING ROBE

Changing Robe by Captain Fin. Stay high and dry... and also comfy and relaxed in this changing robe made from 100% polyester.

You know that towel you use to change with, and also dry your car with after it rains to avoid paying for a car wash... It's time to ditch that thing. Or at least reserve it strictly for sub-par car washings. Get on board with the ease and comfortability of the changing robe, you won't regret it.
