### CARVER 32" PSYCHEDELIC SUNSET SURFSKATE COMPLETE CX / C7

Jake Wood of Snake Craft is a surfer and artist from San Clemente, California whose work is an exploration of the beauty of our coastal world. Jake creates highly stylized representations of natural elements in surreal compositions through his obsession with dots. Lots of dots. We love working with surfers because they get the nuance and intricacies of a world view seen through the lens of an oceanic lifestyle, exemplified perfectly with this vignette of flora surrounding a dreamy curl of dancing droplets.
