EQ SUNSCREEN FAMILY SPF50+ 50ML

Very high sun protection with mineral filters adapted to babies and children from the age of three months. Respectful of sensitive skin, water-resistant, ocean-friendly and kind to the environment.

DESCRIPTION

Babies and children from the age of 3 months

BENEFITS

The Sunscreen SPF 50 Baby provides very high UVA/UVB sun protection, certified Organic Cosmos by Ecocert. Specially designed for the sensitive skin of babies and children, it protects their skin from the age of three months to ensure the best protection.

Its large size makes it ideal for the whole family, from babies to parents !

Its formula is 98% of natural origin and its filters are 100% of mineral origin. Non-ecotoxic for the marine environment, it is very water resistant to protect your skin and your child's skin all day long.

CERTIFICATIONS

Certified COSMOS ORGANIC by ECOCERT.

TEXTURE

High-coverage texture thanks to the exclusive use of mineral sun filters. Water-resistant. Doesn't drip and doesn't cause eyes to sting.

Shake tube well before every use.

Do not expose babies or young children to direct sunlight. Avoid exposure between noon and 4pm. The use of this product should not encourage long exposure to the sun.

COMPOSITION

Active ingredients

Titanium Dioxide

Sunscreen / filter of mineral and natural origin. It acts as a broad-spectrum protector against UVA and UVB rays, reflecting them as they reach the skin's surface. Some of this radiation is also absorbed. Its dosage, coupled with the use of Zinc Oxide, provides SPF 30 (UVB) and FP-UVA protection in compliance with European, American and Australian regulatory standards.

Organic Sunflower Oil

Emollient and moisturizing.

Organic Roman Chamomile Floral Water

Soothing and purifying, particularly indicated for skin prone to discomfort.

Organic Camelina Oil

Rich in vitamin E and antioxidant phytosterols. With soothing and softening properties.

Organic Apricot Wax

Substitute for beeswax, vegan.
