

FCS II AL MERRICK TRI FINS

Code: FAML-PC04

€ 125,00

FCS

FCS II AL MERRICK TRI FINS

Al Merrick's signature template. Raked side fins produce exceptional speed and drive.

OVERVIEW

Al Merrick's template is designed for radical, progressive surfing. The raked side fins produce exceptional speed and drive, while the smaller centre fin offers quick release through turns.

IDEAL CONDITIONS

Hollow steep waves, punchy beach breaks.

BOARD TYPES

Performance boards with deep concaves and moderate-to-extreme rocker.

Please Note: this fin is designed to be used exclusively with the FCS II Fin System, and will not fit in the traditional FCS Dual Plug System.

FIN MATERIAL

PERFORMANCE CORE

Performance Core (PC) material and construction is designed to deliver the feeling of a traditional fibreglass fin with the added performance of reduced weight. The RTM (Resin Transfer Moulding) process produces a lightweight fin with remarkable flex, a smooth feel and an impressive aesthetic.

FIN SPECS: SMALL

Base: 4.37" / 111mm
Depth: 4.37" / 111mm
Area: 123.71"² / 8846mm²
Sweep: 35.5°
Foil: Flat
