FCS

FCS II AL MERRICK TWIN + STABILISER FINS

Lowest area twin set in the FCS range.

The low sweep (rake) and narrow tip means these fins pivot and release exceptionally well, while maintaining incredible trim speed and the ability to quickly break into a turn.

Mini stabilizer has a narrow, elongated template with a rounded tip to add control when driving through turns.

Board Types

Designed to fit the FCS II Fin System.

Recommended for all board types including fish, funboard and twin fin boards.

X-LARGE (Over 85Kg / 190 Lbs)
