

FCS II CHANNEL ISLAND UPRIGHT PC TRI FIN SET WHITE

Code: FCIL-PC02-LG-TS-R

€ 130,00

FCS

FCS II CHANNEL ISLAND PC TRI FIN SET LARGE Overview

A collaboration with Channel Islands Surfboards, the CI Upright is designed for speed & tight turns. A template that comes to life in punchy hollow waves, but can also suit conditions where you need the start up speed to get going.

Ideal Conditions

Hollow steep waves, punchy beach breaks.

Board Types

Designed to fit the FCS II Fin System.
Performance boards with deep concaves and moderate-to-extreme rocker.

Fin Family

Reactor: Find Speed. Speed, tight turns & snaps.

Performance Core

Performance Core (PC) fins are made using a multi-layered resin transfer molding process. The flex pattern in PC fins extends progressively from the base through to the tip, helping the surfer to maintain drive and hold through a turn. This versatile fin material is light, and can be used in a variety of different conditions.
