

## FCS II H4 TRI FIN SET M (SECOND HAND)

Code: FH4-U

€ 112,00 ~~€ 160,00~~ - 30%

**FCS**

### FCS II H4 TRI FIN SET

#### SECOND HAND

Conditions like new. Size: Medium.

The H4 looks and surfs different to any other fin. Precision Swiss engineering matched with a highly evolved template provides an unprecedented level of control and predictability at high speeds.

#### UNIQUE TEMPLATE

Radically different side & centre fin templates create a powerful fin set with ultimate speed & drive.

**SIDE FIN PROFILE:** Lower section produces maximum acceleration, while hatchet like tip creates stability & control.

**CENTRE FIN PROFILE:** Highly raked elliptical outline reduces drag, and offers feeling of predictability when releasing through turns.

**FIN FOILS TEMPLATE:** Thicker base with tapered tip optimises flex & regulates the release of energy during rail to rail transitions. Ideal Conditions

A wide range of conditions, particularly good in critical overhead waves.

Board Types

Designed to fit the FCS II Fin System.

Recommended for performance shortboards with moderate-to-low rocker.

Fin Family

Accelerator: Find Control. Speed, flow and response with added control.

SMALL (55Kg - 70Kg / 120 - 155 Lbs)

MEDIUM (65Kg - 80Kg / 145 - 175 Lbs)

LARGE (75Kg - 90Kg / 165 - 200 Lbs)

**NEW CONSTRUCTIONPRECISION SWISS ENGINEERED:** Creates perfect synergy between fin geometry & HI-FI materials, giving smooth & predictable feel.

**HIGH DENSITY UNI-DIRECTIONAL CARBON FIBRE:** Light & super strong with custom orientation to transfer more of your energy into speed than any other fin.

**DYNAMIC TRAILING EDGE:** Internal composite morphs under extreme load, enabling the fins to be pushed harder without sliding out.

**INNOVATIVE PRODUCTION:** Highly specialised robotic automation combined with camera assisted quality control, ensures absolute accuracy.
