FCS II PRODUCTION KIT PLUG SET SIDE FINS 9° WHITE

This kit contains a complete set of 4 glasses (2 plug) to the side fins for a thruster with the new FCS II ready to be used for repairs or new construction.

The set includes 2 plug for the side fins.

The new FCS II System does not require a key FCS for the assembly of the fins, which can be installed and uninstalled instantly.

Also with the TAB KIT INFILL you can use FCS fins under the old system even on the new plug FCS II
