FCS

FCS SURFBOARD COVER SINGLE 8'0" DAY FUNBOARD 3DXFIT BLACK WARM GREY

Our new Day Cover. Ultralight and tough; this is the ideal cover for day-to-day use as you transit to and from the beach.

Features

Wider Fit: designed for fish and funboard shapes.

Lightweight: lightweight material to minimise boardbag weight. 30% lighter than previous model.

5mm High Density Padding: perfect protection for day-to-day use.

Contoured Stretch Fit: uses a unique 'armadillo' strip that not only provides ventilation, but keeps the bag snug and secure around your board.

3D Rail Protection: eliminates seams and provides a continuous layer of high density foam that contours to the shape of the rail.

Expandable Fin Wing: allows for you to carry your board with or without fins.

Ergonomic Shoulder Pad: double layered and vented to provide the ultimate in comfort and support.

Marine Grade Zippers: built for strength, durability and resistance to seizing

With 3DFIT technology, the FCS Day Series Boardcovers feature a continuous layer of foam contours to the shape of the rail providing superior protection and fit.

Outside this high density layer of foam, the day series combines durable woven fabric with heavy duty ripstop materials and a non toxic rubber coating.
