FIREWIRE ROB MACHADO 3 PIECE BLACK CHARCOAL
ALGAE FOAM

3 Piece

Diamond tread. Wide arch. High kick.

The performance standard for shortboards.

Rob's surfing has been most visible on the Go Fish with twin keels over the past couple years, but recently we've seen visions of him in competitive form, eerily similar to his days of competition on the CT, riding thrusters.

The three-piece arch pad is his choice in thrusters when he wants to, in his own words, 'act like a professional surfer'.

12.5" W x 12" H

3 Piece pad
Arch
Diamond tread
3M adhesive backing
