FIREWIRE ROB MACHADO THE 2+1 PIECE CHARCOAL BLACK

The 2 + 1

One pad for every board.

The two plus one can either be a two-piece flat pad or a three-piece flat pad, depending on how wide of a flat pad you want.

Inspired by the wide tails on Rob Machado's more grovelly board models, this pad works well on shapes like Rob's Moonbeam or even wider tails like Dan Mann's Chumlee.

Designed with square tread, it enables board feel with extreme sensitivity; a favorite tread for surfers who haven't traditionally loved traction.

13.5" W x 12" H

3 Piece pad

No Arch

Square tread

3M adhesive backing
