

FUTURES CHRISTENSON KEEL FIN WHITE BROWN

Code: 1087-283-20

€ 138,00

FUTURES CHRISTENSON KEEL FIN WHITE BROWN

The Christenson Keel was designed with retro twin fins in mind. This keel template is the most upright keel in the Futures line. It allows for great speed and control down the line, making it one of the most versatile keels in the Futures line up.
