

## FUTURES CHRISTENSON TWIN FIN WHITE BROWN

Code: 1086-282-20

€ 124,00

### FUTURES CHRISTENSON TWIN FIN WHITE BROWN

The Christenson Twin is a proven template designed for modern twin fin applications. It's a pivot style template with an oversized base. This allows for good drive and speed down the line, while maintaining great release off the top. This fin adds a performance feel to your modern twin.

Construction - Fiberglass
