Size | X-Large Quad  
Suggested Wave Type - Beach breaks | In the pocketQuad

7.4

Lo Stretch Quad, progettato dallo shaper di Santa Cruz, California William Riedel di Stretch Surfboards, è il quad performante. La costruzione a nido d'ape combinata con il foil concavo di Stretch sulle pinne anteriori e il foil simmetrico sulle pinne posteriori creano una sensazione unica di trazione e manovrabilità, ideale per aumentare la velocità. Sia i modelli anteriori che posteriori presentano il caratteristico modello beak-tip Stretch per fornire le massime prestazioni.
