

FUTURES PYZEL RTM HEX SERIES BLUE PACIFIC LARGE THRUSTER

Code: 1124-162-00

€ 145,00

FUTURES PYZEL RTM HEX SERIES BLUE PACIFIC LARGE THRUSTER

The Pyzel Large thruster, designed by North Shore shaper Jon Pyzel, is in the Neutral template category. Featuring carbon fiber at the base and honeycomb through the body, the combination of materials gives this set a springy flex pattern suited for generating speed.
