### HAYDENSHPES HYPTO KRYPTO FUTURE FLEX BLACK INVERTED FCSII

The Hypto Krypto is a balance of tradition and modern performance. Suited to the elite level surfer to the everyday surfer, it is often referred to as the 'one board quiver' for its versatility across all types of surf conditions – from small 1-3 ft beach breaks, to barrels of up to 8ft.

#### SKILL LEVEL - 1-10

The Hypto Krypto is suitable for all skill levels. For those who are experienced, surf it 1 - 2 inches shorter than your everyday shortboard. For those starting out order it 2 inches bigger than your everyday shortboard. If you're stepping down from a longboard or mini mal, order 6'2 and up.

#### CONDITIONS - ALL CONDITIONS

As it's an everyday model it's designed to catch more waves in a range of conditions. It will easily generate speed down the line at your local beach break and will hold up when the conditions present themselves.

#### SUITABLE WAVE FACES - FLAT TO DOUBLE OVERHEAD

Anything from beach breaks, reef to point breaks. The Hypto Krypto will work at any location.
