ION AMAZE HOT SHORTY 1.5 FRONT ZIP CAPSULE PINK

ION's Amaze Hot Shorty 1.5 LS Front Zip represents progressive water women who want to push their limits and own their confidence. Rely on flexible neoprene that keeps up with tricks, wipeouts and paddling. On the inside super smooth Silk_Stuff increases wearing comfort to the max. The slightly longer bikini cut on the backside ensures everything stays in place, so you can focus solely on the surf. Thanks to fused edges and reinforced seams, this summer style does not only look good but comes with the sturdiness you need on your adventures.
