Ballistic Sole: super resistant ARAMID sole protects against sharp mussels, coral reef and other sharp objects

Internal split toe: eliminates the spongy feeling in the toe area (except the Ballistic Toes: these shoes even have the external split!)

Segmented sole: strategic cuttings enhance flexibility of the sole

Barefoot Feeling: 3rd generation of the ultimate combination of warmth and barefoot feeling!

Panda_Paw: a new and softer rubber used as a mid sole increases the abrasion resistance

Tatex_Glue: all GBS_seams are sealed outside with extra tatex_Glue for best water proofness

Donut_cuff: made of one piece of Neoprene provides slick cuff sealing without seams

Velcro_loop: detachable water sealing Velcro loop around the shaft

GBS_Seams: water sealing for all seams

Grip print: gives you just the right friction in footstraps
