### ION NEO ZIP TOP LS 1.0

#### LINE CONCEPT

NEO TOPS are a must-have for every watersports nut hitting the sea or surf in milder climates. Although mainly used in warmer waters to keep the sun and wind off the skin, they can also be used as a second layer underneath your wetsuit. Thanks to the plush, wool-like Hot\_Stuff lining, these tops have a luxurious texture that feels great, even on bare skin!

The NEO TOPS have a more detailed and technical construction than that of the standard Rashguard, providing 100% UV protection, efficient heat retention and a reduction in irritations and bruising often caused by the harness or surfboard.
