ION SEEK AMP SEMIDRY 6/5 WETSUIT FRONTZIP

The Seek Amp 6/5 Hood Front Zip stands for an epic stretch without compromising warmth, making it the perfect wetsuit all year round. Freedom of movement in arms and shoulders is key, no matter if you paddle or hold on to your kite or sail. To improve flexibility in this crucial area, ION uses a new rhombus-shaped outside lining. It stretches easily, thanks to the unique structure. Additionally, recycled Eco_Stretch lining at the torso and legs maintains comfy stretch throughout the entire suit (black colorway only). The secret for optimal heat retention lies in ION's super flexible Hot_Stuff 2.0 thermo lining combined with toasty warm Plasma_Plush 2.0. On top, I_foam neoprene traps more air due to its foamy structure, improving heat retention and flexibility. To guarantee maximum heat, the hood is not detachable. Another feature that shelters you from icy showers is a small silicone print at the front zip opening area. It increases the connection between the flap and the rest of the wetsuit.

MATERIALS

80% Neoprene / 20% Nylon

Toasty Warm

Quick drying Plasma_Plush 2.0 combined with Hot_Stuff 2.0 for the best combination of warmth and stretch.

Epic Stretch

Limitless movement thanks to less panels and our stretchiest inside & outside linings.

Seam Sealing

Improved version of highly elastic neoprene tape securing every inch of lower body seams and highly stressed knee area.

Minimal Panel Design

Sweep_Cut and a continuous panel on front and back are the reason why this suit feels like a second skin.

80% Neopren 20% Nylon

3°C - 8°C 37°F - 46°F
