ION STRIKE CORE OVERKNEE 4/3 LS FRONT ZIP

Strike Core wetsuits are more than just basic all-rounders. The single-lined back panel allows freedom of movement where needed, whilst Hot_Stuff 2.0 provides warmth and quick drying. In spots without thermo lining, super soft Silk_Stuff increases next-to-skin comfort to the max. The front zip version makes sure there's nothing to interfere with your paddle power. Highly durable nylon in the leg and torso area make the Strike Core a very robust companion for your adventures. Warm: Hot_Stuff lining, Seal_Tite and Water_Gate_3D technology.

Maki_Tape: 100% neo tape sealed on the inside for superb flex and water resistance

Prize Protection: Crash_Padz at the shins and ribs.

Optimum Flex: Reduced panel layout, Ninja_Knee and Ninja_Spine construction.

Maki_Tape is made out of Cyber_Stretch 130% Neoprene and thus not limiting at all. At Amp Level suits, it seals every inch of each seam for incredible sealing against water without limiting stretch, whereas you'll find it in other levels at isolated areas for improved sealing or reinforcement.
