

NSP SURFBOARDS 5'11" DOUBLE VISION FISH TWIN FIN CYAN

Code: NSPT0718

€ 465,00

NSP SURFBOARDS PROTECH FISH 5'6" WHITE

A Retro-inspired twin keel fish, with keel twin fins included, for under \$700?! Sounds unbelievable but its true with the NSP Double Vision Twin Fin Surfboard.

The NSP Double Vision PU is a retro twin, built-in PU, and comes with a twin keel setup for hold and stability the waves have more size.

Available in 5'6", 5'11" & 6'2", Double Vision riders get to enjoy the drive and speed of a fish twinnie. More maneuverable and more responsive than thick, wider Fishes, it has a rewarding feeling, making it core-quiver material for anyone who tries one.

Rail: Boxy

Bottom: Concave into V

Ideal waves: 1 - 6 foot

Level: Beginner – Expert

FINS INCLUDED

Design:

- Inspired by classic fish shapes, the Double Vision evolved into a thinned-out version of the vintage Fish shape for more drive and speed
- The parallel outline, fish rocker, and the omitting of a center fin all contribute to a faster ride
- Production is finalized with a satin rub polish for a custom board finish.
- Wood center stringer for strength, flex, and rigidity, tying together the traditional PU build.
- FTU fin boxes (compatible with futures fins) on both sizes
