NSP SURFBOARD PROTECH LONGBOARD 9'0" RED TINT

### FINS INCLUDED

The Protech Longboard is part of the refreshed NSP Longboard range: A perfect addition to any surfers quiver and an exceptional shape for surfers looking to fast-track their longboarding skills.

### ECOBOARD CERTIFIED

This board is recognized by the Sustainable Surf Foundation as a Level One Eco Board; "An ECOBOARD is a high-performance sustainable board. It has the same technical performance attributes as any modern water-sport board, while having reduced environmental and toxic impacts."

The NSP Protech Longboard is a proven classic within the range and with its performance characteristics and affordable pricing, anyone looking into adding a longboard to their quiver ought to check out the Protech at their local NSP dealer.

Rail: Full

Bottom: Single to double concave

Ideal waves: 1-6ft

Level: Beginner – Expert

- The best selling longboard range in the world in a construction featuring key performance characteristics.
- The best in versatile longboard performance, using technically advanced construction at extremely attractive retail prices.
- Great longboard. It's an evolved shape that lends itself really well for swooping bottom turns, high trim lines and drop knee cutbacks.
- New sharper rails in the tail, modern performance rocker combined with mellow V bottom blended with a subtle double concave.
- Continuous refinements make the NSP Longboard easy to trim on the wave and dynamic when riding off the tail.

### CARBON FLEX TAIL

Strategically applied to the back end of the rails, the Carbon Flex Tail provides increased durability.
