Length: Coiled: 2ft. 6inches (0.76m),  
Extended : 10ft (3m)

Cord Dia. : 5/16" (8mm)

Strap : 38mm Padded

Swivel : Double

#### DIAMOND-FLEX MOULD

Advanced mould design with flex diamonds. Provides controlled flex and strong transition from mould to urethane.

#### DUAL ANCHOR SWIVELS

Marine grade, stainless anti-corrosive free-spin swivels for tangle-free surfing.

#### ORIGINAL DETACHABLE RAILSAYER

The original railsaver system designed by O&E, with sewn in anchor cord. Protects rails and is easily detached.

#### NEW FORMULA CONTROLLED-STRETCH URETHANE

The larger the wave, the more stretch which keeps your board at a safe distance away. Premium grade quality urethane developed by the world's leading manufacturer.

#### FLEX NECK STRAP PLUG

Allows 360° movement of leash and offers more comfort when leash is under load.

#### DELUXE ANKLE STRAP

Double padded comfort strap. Lightweight, secure fit.

#### SAFETY RELEASE PULL TAB

Easy to see 'Safety Red' quick release pull tab. Essential when surfing big waves and reefs.

#### PLUG BUDDY

Another O&E first. Ensures leash string can be easily slipped through surfboard plug.
