

OUTRIDE INFLATABLE SUP 10' AIR BAHAMAS INFLATABLE 240 LT

Code: 22004

€ 499,00

OUTRIDE INFLATABLE SUP 10' BAHAMAS INFLATABLE 240 LT

Light, super safe and incredibly stiff. Thanks to the second Air Chamber and its structure the Air Bahamas merges all these qualities with a colorful graphic.

Light, practical and rigid
Dimensions: 10' x 33" x 6"
Volume: 240 L
Weight: 10.5 Kg
Capacity*: 135 Kg
Included fin: US 9"
Included paddle
Included pump
Included leash
Included repair kit
Included backpack

Safety

The double chamber provides extra safety in case of a potential puncture, guaranteeing a return to the shore. Born as an aid element in the rescue field, it is now available on our all-round SUPs.

Rigidity

The longitudinal placement of the second chamber increases the overall rigidity of the board, getting closer to the feeling of riding hard boards.
