

POWELL PERALTA 7" WINGED RIPPER BIRCH MINI SKATE COMPLETE

Code: 10POPP0000 7

€ 109,95

POWELL PERALTA 7" WINGED RIPPER BIRCH MINI SKATE COMPLETE

Powell•Peralta skateboards are made from strong, light, hard yellow birch, fused together with water-resistant glue in proprietary Powell•Peralta AirLam™ presses. This ensures maximum stiffness, strength, “pop” and durability.

Mini Logo™ trucks combine strength, stability, and smooth turning by utilizing premium alloys, high-rebound bushings, and heat-treated axles. Designed, developed and proven by our professional team at Skate One, Mini Logo trucks will allow skaters to roll and turn with confidence when they begin skating, and will stand up to the stresses and impacts of advanced street, park, and ramp skating as they progress. Medium-soft bushings for deck widths 7" - 7.625"

Powell•Peralta wheels are fast, durable, hot cast, polyurethane wheels that roll, slide and grip great. Our wheels have been top rated and used by professional skaters since 1976. You will be pleased with these. Medium 90-A hardness wheels for size 7" - 7.625" wide skateboards.

Mini Logo bearings are Skate Rated™ so they roll fast, and stand up to the dirt, dust, impacts and moisture skateboards have to roll through every day. With precision ground races, mirror smooth balls, a high speed nylon ball retainer, Speed Cream™ racing lubricant, and two removable protective shields for easy cleaning, ML bearings will allow you to take full advantage of your high rebound PP wheels to get maximum roll and skating fun.
