## Composition

83% Nylon, 17% Elastane

Exceptionally comfortable lightweight thermo fleece liner across the body of this suit.

An extremely soft and flexible neoprene that allow you to surf your best.

Glued and blind-stitched seams only partially penetrate the neoprene, which reduce water entry and increase durability. We're more committed than ever to ensuring our wetsuits perform in the water but have low impact on the environment.

Quiksilver wetsuits feature sustainable materials and processes.
