QUIKSILVER 5/4/3 EVERYDAY SESSIONS HOODED CHEST ZIPWETSUIT BLACK

When it comes to supreme warmth and protection, it doesn't get any better than the Everyday Sessions 5/4/3 Hooded Wetsuit. Every stitch and seam has been reinforced to support your peak performance. Along with the extreme flexibility of our StretchFlight® neoprene, we've added thermal lining that's comfort is beyond compare.

Thickness: 5/4/3mm

Eco-Conscious Performance Neoprene Foam: StretchFlight® Eco-Neoprene for increased warmth and comfort without sacrificing flexibility where you need it and durability where it counts

Eco-Conscious Lining: WarmFlight® Eco-Velvet Lining - comfortable lightweight zoned thermal lining, repels water to decrease weight and drying time

External Seams: Triple glued and blind stitched (GBS) seams reduce sew-throughs and water entry

Internal Seams: Taped internal seams in critical zones

Entry: Chest zip entry

Eco-Conscious Lamination: AquaGlue, water-based lamination

Additional Details: Key loop

Composition

83% Nylon, 17% Elastan

Exceptionally comfortable lightweight thermo fleece liner across the body of this suit.

Flexibility where you need it. durability where it count. this neoprene is designed to give you the best of both worlds.

Glued and blind-stitched seams only partially penetrate the neoprene, which reduce water entry and increase durability.
