Exceptionally comfortable lightweight thermo fleece liner across the body of this suit.

An extremely soft and flexible neoprene that allow you to surf your best.

Glued and blind-stitched seams only partially penetrate the neoprene, which reduce water entry and increase durability. We're more committed than ever to ensuring our wetsuits perform in the water but have low impact on the environment.

Quiksilver wetsuits feature sustainable materials and processes.
NATURAL LIMESTONE NEOPRENE

Replacing petrochemicals.

WATER-BASED LAMINATION

Using water-based glues eliminating the need for toxic solvents.

RECYCLED MATERIALS

Recycling scrap rubber tyres and neoprene waste.
