QUIKSILVER 5'4" SOFTBOARD RIPPER KALAMATA

5'4" x 19 3/4" x 2 1/2" - 32L

The Quiksilver Ripper offers a wide outline to facilitate take-offs and bring tolerance in your rail-to-rail passages. Its very fun character makes it a benchmark board for passing flat sections and maneuvering on hazardous waves. It is mounted with FCS1 boxes in order to be able to change fins according to surf conditions. A benchmark in foam surfboards!

Fins included

The Ripper is our performance foam board. It is designed for ripping when conditions aren't ideal to use your fiberglass surfboard. Ideal for those summer shores.
