REEF SANDALS SWELLSOLE CRUISER SANDALS BLACK GREY

Look no further, if the world's best cushioning is what you're after. We took comfort over the top with this one, featuring our thickest, softest, most premium EVA in a super chunky outsole, plus pillowy padded straps. This is the one you need.

Rich synthetic upper, with a molded memory foam liner with shock pads for enhanced strap cushioning and comfort
Signature SWELLsole footbed, with lighter and softer nitrogen cooled EVA and enhanced arch support through anatomic contouring
Non-marking rubber outsole for grip and traction wherever you go

NEXT-LEVEL RECOVERY

"The SWELLsole Cruiser is next level, I've never felt anything like them before. It's my new go-to for after surfing...they feel so good."

- Billy Kemper, REEF ambassador and big wave Champion

360° OF COMFORT

This innovative sandal is an experience like no other. The SWELLsole Cruiser combines a rocker bottom, molded strap and nitrogen infused foam to provide maximum cushioning and support.
