### REEF TWINPIN LUX BROWN SANDALS

Beach on the brain? Beach freely anywhere with the Twinpin Lux. Same look as the classic Twinpin, but with a vegan leather upper. And since we can't not be obsessed with comfort, we designed these flip flops with anatomic contouring, heel cupping, arch support and a relaxed, wider fit.

Outfitted with anatomical arch support to keep you comfortable through every adventure. We crafted this product without PVC, which means it's better on and for the environment. Crafted with animal-friendly alternatives.
