

RIP CURL FLASHBOMB 5/3 5 FINGER GLOVE

Code: WGLYDF

€ 59,99

RIP CURL FLASHBOMB 5/3 5 FINGER GLOVE

The Flashbomb glove is must for any true cold-water surfer. New this year is E6 flash lining with a gel texture palm grip. We use a aquaban seal on the internal wrist to reduce water flush. These gloves also feature a new low profile heat tape which provides long term durability and water seal.
