€ 249,95

QUIKSILVER 29" SURFBUDDY PWRD BY SMOOTHSTAR SURFSKATE COMPLETE

Quiksilver Surf skate Surf Buddy 29" is the new quiksilver skate developed in collaboration with Smoothstar. If you are looking for a surf skate to improve your surfing when there are no waves, the Quik Buddy with Smoothstar shaft is the right choice. Ideal for young riders, people with little weight or experienced riders looking for a surf skate with which to make radical turns.

The ideal surfskate for young riders looking for a skate with which to practice surfing maneuvers on the asphalt. Same axis as the smoothstar surfskate but with the attractive designs of the brand Quiksilver.

Length 29"

Width 9,6"

7 x ply wood 100% Canadian maple

High Performance Grip

SMOOTH STAR shafts

Allen Hardware

Abec 9 Chrome metal bearings

Creek Wheels 65 mm, 80a
