

## SMOOTHSTAR 30" THD FLYING FISH PURPLE SURFSKATE COMPLETE

Code: EGL231FF30-KVJ0

€ 295,00

### SMOOTHSTAR 30" THD FLYING FISH PURPLE SURFSKATE COMPLETE Is this SmoothStar right for me?

The 30" Flying Fish is the most popular model for surf groms aged 9 – 12 years. It is perfect for young surf groms who want to progress their surfing. Surfers of this age typically start to gain more confidence and gain strength in their body, so the Flying Fish is the perfect fit. It responds perfectly to body movement and mimics surf turns.

#### TECH SPECS

Weight 3.3 kg  
Deck 30" Purple and natural Timber finish deck  
Deck Tail Width 20.8cm  
Bearings ABEC 7  
Trucks White Power Coat Aluminium  
Thruster Type SmoothStar Thruster D

The Flying Fish is one of the most popular models and boards throughout Australian surf culture. The Flying Fish was developed back in 2013 and is now enjoyed by grommets all across the world to improve their surfing.

Grommets can push the Flying Fish to do more advanced surf turns and maneuvers – the board will respond. Groms will be able to practice their bottom turns, generating speed, and also tail slides.

#### Thruster D Technology

The 30" Flying Fish model comes with the new SmoothStar Thruster D technology. The Thruster D is the latest in precision engineering that gives surfers the ultimate surf feeling with 12%-15% more hold. It's also lighter and comes with a 5 year warranty -

#### Why choose this model?

The 30" Flying Fish is a responsive, sharp turning and slightly cheeky model designed for younger surfers. It is perfect for
