SMOOTHSTAR 31" JOHANNE DEFAY TEAL WHITE SURFSKATE COMPLETE

Johanne's board is suitable for groms over 155cm and adults under 181cm. This model SmoothStar is ideal for the surfer who is of average height and who wants to perform all the carving maneuvers such as: Round House Turns, Drawn out Carves and Grab Rail turns.

The 31" Johanne Defay Pro model is one of the newest of the SmoothStar Surf Trainers. It has been closely developed with Female pro Surfer Johanne Defay and mimics her powerful carving surf turns. The 31" model has the deepest concave of all of the smaller high performance models under 32.5". The deeper concave enables riders to hold the rail more than other models and helps maintain compression through the turn, just like surfing.

Johanne Defay is not only one of the best surfers in the world but she's also an inspiration to many women and young girls. Johanne joined the SmoothStar team back in 2017 and is known for her dedication and hard work ethic to training and getting strong. Johanne is born and bred from a the tiny island in Reunion Island but competes under the french flag.
