Organic Cacao Butter nourishes

Cacao Butter belongs to the category of natural plant compounds that can improve blood flow to the skin and slow skin aging by protecting against damage from the sun's harmful UV rays. It smoothes your skin and provides moisture and nourishment.

Organic Shea Butter moisturises

Shea Butter has been used since Cleopatra's times to provide long-lasting moisture and protect the skin from drying out in the sun.

Organic Beeswax provides water resistance

Beeswax makes this mineral sunscreen 40 minutes water and sweat resistant and protects your skin from external damage.

Organic Sunflower Seed Oil boosts

Sunflower oil strengthens the skin's natural protective barrier and helps to prevent pigmentation from the sun.

Organic Cacao Powder gives a natural tint

Cacao Powder gives this mineral sunscreen a natural tint which makes it blend in with your skin tone more easily. It also adds a yummy smell of cacao / chocolate!

Vitamin E works as an antioxidant

Natural vitamin E (extracted from non-GMO wheat germ oil) has an antioxidant effect and protects the skin from sun damage.

100% NATURAL SUNSCREEN | Safe for you and nature. Perfect for any kind of holiday, a day at the beach or a stroll in the park. Now slightly tinted to blend in more easily with your skin tone. Comes in a biobased sugar cane tube.
