T&C SURF DESIGNS JON SERIES S/S TEE GRAY HEATHER

This maybe not how you imagine yourself in a barrel, but for us, it's exactly that! Fun and casual, this Jon Series t-shirt is very comfortable and got premium quality with its organic and compact cotton.

Its design was born from the collaboration between Town and Country Surf Designs and Jon Horner, one of skateboarding's most prolific illustrators and comic book creator.

We crossed his way because we were attracted by his festive and crazy universe, by his famous caricatures, his retro colors, as well as by the spirit of the skateboarding world expressed in these works.

Jon therefore agreed to create illustrations for T&C to adorn an entire collection of sweatshirts, t-shirts and accessories.

This short sleeve t-shirt is one of the pieces in this creation.
