

TORQ TET 8'0" LONG PINLINE BLUE

Code: TQ-E-PC-0800

€ 619,95

TORQ TET 8'0" LONG PINLINE BLUE

Appealing to those who are looking for more volume and better glide than a funboard, but aren't interested in a full-size longboard. Great performance in thigh-high to slightly over head-high waves, this board is a tremendous wave catcher.

A low entry rocker gets you moving and provides the glide needed on smaller, weaker days. We packaged just enough tail rocker to allow it to perform in quick beach breaks or as the surf increases.

Our fin system is designed by Futures Fins of California - one of the most respected fin systems on the planet.

Torq TET surfboards all come with fins. The Mini-Long shapes come with 3 fin boxes and a Thruster fin set offering an even balance of drive and release for all round surfing.

Level - 1 > Expert

Wave Height - 2 - 6ft

Dimensions - 8'0" x 22" x 3"

Recommended Rider Weight - 60-110 kg / 130-240 lbs
