TOY MACHINE WHEELS DEAD MONSTER 53MM 100A

PACK OF 4

Wheels made of SHR (Super High Rebound) polyurethane absorb vibrations for greater fluidity- The smaller 51 and 52mm wheels are ideal for pop and balance.

Instead, the 53 and 54mm medium wheels are perfect for having fun on the street, in the skatepark or small ramps. 100A hardness for excellent constant speed and control over maneuvers.
