VANS KNU SKOOL SHOES

The Knu Skool is a reissued model from the 90s, when skate shoes were extra puffy. Made with sturdy suede uppers, this low top silhouette features a big puffy tongue and ankle collar, giving it an exaggerated look that plays off of the original Old Skool.

Keeping the "Off The Wall" aesthetic, our iconic Vans Sidestripe™ has been re-envisioned as a puffy diamond 3D mold, adding to the overall chunky look and feel. The addition of heel pulls offers easy access in and out.

- Reissued 90s low top shoe
- Sturdy suede uppers
- Puffy tongue and ankle collar
- Puffy 3D mold Sidestripe™
- Heel pulls for ease of entry
