### VANS SCARPE KYLE WALKER BLACKOUT

The Suede Gum Kyle Walker, the introductory signature model from rookie pro Kyle Walker, is made with sturdy suede, leather, and twill textile uppers featuring DURACAP™ reinforcement rubber underlays in high wear areas for unrivaled durability. The new POPCUSH™ energy return sockliners provide superior cushioning and impact protection while helping to lessen leg fatigue for longer skate sessions, and the revolutionary WAFFLECUP™ construction offers the support of a cupsole without sacrificing any of the grip or boardfeel of a traditional vulcanized shoe.

- UNRIVALED DURABILITY - Reinforced DURACAP™ underlays in high-wear areas add unrivaled durability to prolong the life of each shoe.
- WAFFLECUP CONSTRUCTION - Our most visually expressive WAFFLECUP™ outsole is the best of both worlds, providing superior boardfeel, maximum support, and durability.
- POPCUSH CUSHIONING - Our best cushioning and impact protection. POPCUSH™ energy return footbeds protect your feet while helping to lessen leg fatigue for longer skate sessions.

Composition: SUEDE, LEATHER, TEXTILE, RUBBER

The added DURACAP reinforcement rubber underlays in high-wear areas are engineered to withstand the abuse of the vans pro skate team—and by providing lasting durability, save everyday skateboarders time and money.

#### POPCUSH

Snaps back and won't pack. PopCush is a brand-new foam recipe, meticulously tuned for impact protection, superior cushioning, and custom energy return for every type of skating. As the brand's most progressive footbed to date, PopCush is Vans' standard best-in-class upgrade. Skate longer, skate harder. Only available in Pro Skate.
