VANS MAMMOTH PULLOVER BROWN GREEN

Made with 100% Recycled Polyester, the Mammoth Pullover is a soft polar fleece pullover jacket with a mock neck and quarter zip. The blocked body construction is enhanced with a contrasting patch pocket, and the simple left chest logo label adds to the classic look.

In order to reduce the overall footprint of Vans, our team has set ambitious sustainability goals. Big or small, all of our efforts add up to positive change. VR3 is the Vans commitment to sourcing 100% of our top 4 CO2 impact materials (cotton, leather, rubber and polyester) from Regenerative, Responsibly Sourced Renewable, and/or Recycled sources by 2030.

Composition: 100% POLYESTER
