

XCEL COMP 5-FINGER 4MM GLOVE CHANNEL FLEX/TDC

Code: ANC49380

€ 52,50 ~~€ 75,00~~ - 30%

XCEL COMP 5-FINGER 4MM GLOVE CHANNEL FLEX/TDC

High performance all 4mm glove with full outer GlideSkin for excellent wind resistance, plus TDC Thermo Dry Celliant, our warmest inner lining ever. TDC features mineral-enhanced smart fibers that recycle body heat into infrared energy for greater warmth, increased endurance, faster recovery, and enhanced overall performance. Lightweight, flexible design with premium glued & blindstitched seams and full "Gripper" palms. The extended tapered wrist easily tucks under your wetsuit to deliver the ideal fit and minimize flushing
